## Bridgestone, a sponsor of “Olympic Day Walk & Run 2019” Presents “Bridgestone Ecopia” tires to Lucky Draw Winners

**[Bangkok] (June 16' 2019)** – Mr. Hiroyuki Saito, (middle left) Sales Director of Thai Bridgestone Co., Ltd., congratulated and presented special prizes, 20 sets of “Bridgestone Ecopia” tires, the eco-tire featuring improved fuel efficiency, superior performance and extended wear life to 20 lucky draw winners of “Olympic Day Walk & Run 2019”, at Suphachalasai National Stadium, on June 16, 2019. On this occasion, Bridgestone was a partner of the event, held by the National Olympic Committee of Thailand, to celebrate the International Olympic Day and encourage people to be active and healthy through exercise. And Bridgestone teammate also attend for running and brought a lot of joy for the event.

This is the main collaboration to support Olympic-related activities between the National Olympic Committee of Thailand and Thai Bridgestone. It is demonstrating its commitment to the belief that pushing both body and mind will allow everyone to overcome obstacles and conquer their dreams.

Bridgestone would like to encourage everyone to exercise, using sports as one tool to conquer their life's goals and to reinforce the support of Bridgestone's official global Olympic and Paralympic competition, which is presented under the banner "Chase Your Dream".

**About Bridgestone:**

*Bridgestone Corporation, headquartered in Tokyo, is the world's largest tire and rubber company. In addition to tires for use in a wide variety of applications, it also manufactures a broad range of diversified products, which include industrial rubber and chemical products and sporting goods. Its products are sold in over 150 nations and territories around the world.*

*In Thailand, Bridgestone has managed to achieve sustainable growth and success through a great confidence from end-users, dealers, and automotive manufacturers since its production 50 years ago. Through our history, the company has shown a great determination to research, invent, and create excellent products that are suitable for domestic use.*

*Additionally, together with well selected raw materials, state-of-the-art production facilities and machines, and highest standard of quality control, these enable Bridgestone to journey on the same path with corporate mission – "Serving Society with Superior Quality."*
