Bridgestone offers 120-day tire warranty privileges to customers

Bridgestone Sales (Thailand) Company Limited has launched its application, “Voice4Bridgestone”, for smartphone users. The “Voice of Customer” program offers 120-day tire warranty privileges to customers who purchase four Bridgestone, Firestone or Dayton tires of any model and size per receipt and complete a questionnaire on the application within 14 days from the purchase date. When a tire is damaged due to normal use to the extent that it cannot be repaired, customers will immediately get a replacement tire. The privileges will become effective from 1 July 2018 onwards (until expiration).
